The XE-A207 features a class leading large multi-line operator display and is ideal for retailers who need a professional, reliable and easy to use machine. Featuring a new contemporary cabinet design, the XE-A207 series comes in a choice of light grey or black and will fit in with most hospitality and retail interiors. For easy set-up, a free PC Link software programme allows for effortless product maintenance and a new data export function allows for sales data to be saved for use within any spreadsheet. A sturdy metal full sized lockable cash drawer is included with the XEA207 which is perfect for busy outlets which have up to 600 customers a day. With even more features, the XE-A207 is the ideal machine for any growing retail outlet.
