

## The professional PC connectable desktop labelling machine with Wi-Fi connectivity

### Other features:

#### Many built-in templates

- Quickly access the built-in templates for easily labelling cables, patch panels etc.

#### Store custom logo's

- Upload company logo's or other specialist symbols, to print away from the PC.

#### Search and print from database

- Upload a text database, then search/select to merge into custom label template to print away from the PC.

#### Prints die-cut labels

- Prints die-cut labels (non-laminated) – used for new type of cable flag label.

#### OPTIONAL: Rechargeable Battery

- Supplied with an AC adaptor.
- Optional battery base and Li-ion battery for fully portable use.

# PT-D800W DATASHEET
