Everyday Phone with basic call blocking

The Everyday Phone Nuisance Call Blocker, gives you back control over which calls you want to take and which you want to block.

Nuisance Call blocking features

The Everyday Phone can block 20 individual numbers, meaning that you really can avoid speaking to the people you don't want to.

Do Not Disturb

For those times when you just want some peace and quiet, switch on Block All so that your phone won't ring. If you want key friends and family to still get through, they can do, by tagging them as VIP's in your address book.
