100W Fast Charging

The ALOGIC Rapid Power Car Charger transforms your car into a fast-charging hub, with plenty of juice to keep your laptop, iPhone, iPad, smartwatch and wireless earbuds fully charged.

The charger takes advantage of USB-C PD's robust safety features, automatically selecting the ideal safe voltage to keep your device safe, while maximising charging speeds.

Charge Two Devices Simultaneously

With USB-C and USB-A ports capable of delivering more than 80W fast charging simultaneously, the Rapid Power Car Charger makes it easy to keep your laptop, phone, tablet, earbuds and other devices charged on the road.

Perfect for travel

Less than 4cm long, this minimalist Space Grey car-charger isn't just a great accent piece for your dashboard, it's so small and light you'll forget it's in your pocket, making it the perfect companion for a road trip, holiday or business trip where you can't rely on your rental car.

Connectors
