

GBC Magnapunch Elite Electric Multi Die set Punch with Foot Pedal

This heavy duty Magnapunch Elite is a fast, reliable and powerful desktop punch with a punching capacity of 30 sheets in each cycle. This multi-changeable die set paper punching machine has variable punching capacities depending on hole configuration.

With unmatched speed and durability, the GBC Magnapunch Elite is an innovative semi-automatic paper punching machine with multi-changeable die set capabilities. Featuring a quick-change die set system, this machine enables seamless transitions between different hole configurations, minimizing downtime. Built for reliability, this punching machine is constructed with sturdy materials and high-quality components, guaranteeing consistent and accurate results with each punch. Whether you're handling small batches or large volumes of paper, you can rely on the Magnapunch Elite to deliver flawless punches every time, making it a perfect fit for your office or print shop. Silver colour.
