LEITZ IQ OPTIMAX

A new spin on paper shredding

*OptiMax tested with and without bin rotation technology.

LEITZ IQ OPTIMAX P5 OFFICE SHREDDER

Ideal for daily use in any office

IQ OptiMax features unique Bin Rotation Technology (BRT), effectively maximizing capacity by 33%*. The rotating bin ensures flat and even paper distribution, eliminating shredded paper peaks. This allows an additional 140 x A4 sheets to fit in the bin before it requires emptying. Bin Rotation Technology means there's no need to remove or shake the bin; the 'bin full' indicator activates only when it reaches 100% capacity.

OptiMax offers an innovative and stylish shredding solution, whilst ensuring exceptional document security and peace of mind.

- Bin holds 550 x A4 sheets; +33% compared to no BRT
- High security DIN P5 shredder
- Micro-cut particles allows for more sheets in the bin
- Shredder bin illuminates blue when in use
- Transparent bin is easy to remove
- Intuitive control panel includes LED indications
- Anti-jam technology automatically prevents paper jams
- Size 406 x 589 x 320 mm (W x H x D)
