Universal Compatibility

The ALOGIC Elite Laptop Stand is designed for universal laptop compatibility and can be used with most 11" to 17" laptops, including all sizes of MacBook Pro, MacBook Air, Dell XPS and Chromebook.

Both the height and the angle of the ALOGIC Elite Laptop Stand can be adjusted to ensure laptop use is perfectly comfortable, no matter where you're working.

Ultra-Build Quality

The Elite Power Laptop Stand is built with durable aluminium alloys designed to survive the day's wear and tear without a scratch. Anti-slip silicone pads help keep your laptop held securely in place and prevent it from wobbling as you type.

With added function of Wireless Charging

The built-in wireless charging pad enables you to charge all your Qi-compatible devices

* In order to utilise this function of wireless charging, you need to buy an external USB-C wall charger which needed to be brought separately. This item doesnot include any wall charger in packaging.
