INTRODUCING
THE DOT2 SERIES

The Motorola DOT2 Series is designed to make communication easy and accessible for everyone, combining a multitude of helpful features with a fresh, new look for your home telephone. Its stylish design not only stands out but also fits beautifully in any home environment.

This product boasts a backlit display for easy reading, call blocking technology, a hands-free speakerphone, and a 100 name and number phonebook. Additionally, the integrated answering machine offers up to 12 minutes of digital recording time, which can be conveniently accessed via the handset.

motorola

PRODUCT OVERVIEW

1.6" Backlit Display
Make communication clearer with a primary liquid crystal display.

Caller ID
See who is calling before you answer a call.
