

GBC WireBind® WB15E Electric Binding Machine

The WireBind® WB15E is engineered for durability and ease of use within busy offices and education environments with frequent binding needs. This electric binder makes electric punching easier and quicker, with the capability to punch through up to 15 sheets of 80gsm paper and binds up to 125 sheets at a time with a 14mm wire. Its sleek, lightweight design ensures it can be easily transported and stored, making it the perfect addition to any workspace. The WB15E Features an anti-jam overload LED indicator for a smooth, uninterrupted binding experience every time. Additionally, it includes a handy clippings tray and storage compartment for a tidy workspace. Black and silver colour.
