Power Solutions

Power Spot
Type G – UK/IE

Power Spot

Type G

Features:

- Seamlessly integrate power into any workspace with this discreet, easy-access recessed desk power outlet.
- Equipped with 1 x power socket (230v) and 1 x USB C (30W max) port.
- Easily installs into any 60mm and 80mm grommet holes.
- Eliminates the need for bulky outlets and messy cables, creating a tidier desktop environment.
- Sliding cover prevents dust and debris from entering ports and hides from sight when not in use.
- Extra long, 2m power cable with plug for flexible and easy set up.
- Built to last with 5-year limited warranty.
- Available in black and white.

Specification:

Code	100136977	100137176
Colour	Black	White
Product Dimensions (H x W x D)	9.03 x 11.50 x 9.15 cm	
Product Weight	0.45 kg	
Retail Packaging Dimensions (H x W x D)	12.00 x 10.50 x 11.50 cm	
Retail Packaging Weight	0.54 kg	
Outer Carton Dimensions (H x W x D)	22.50 x 13.50 x 24.50 cm	
Outer Carton Weight	2.51 kg	
Number of Outlets	1 x 230V	
USB Output	1 x USB C (30W max)	
Socket Type	Type G (UK, IE)	
Mounting Type	In Desk - Grommet	
Desk Thickness	20 - 55 mm	
Grommet Size	Ø60 mm and Ø80 mm	
Cable Length	200 cm	
Plug Type	UK, IE

Ergonomic Working:

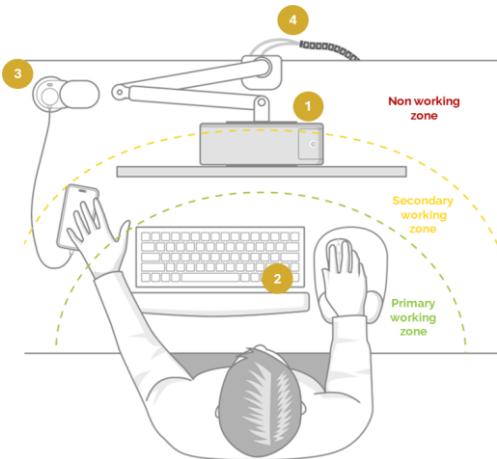

Fellowes ZONE 5 MINIMISE CLUTTER

Keep workspaces clear.
Cable managers, CPU holders and
desktop power products help to organise
your space and work ergonomically.

How to minimise desk clutter

- Declutter:** Move anything that you don't need from your desk where possible. E.g. Mount CPU's under desks or on a monitor arm.
- Zone your desk:** Keep items that you use regularly at the front of your desk and within arms reach when you are sat back correctly in your chair. E.g. keyboard, mouse, wrist rests. Move items you use less frequently further back.
- Make power accessible:** Installing easy to access desktop power products helps to reduce the number of cables around your workspace as well reducing the risk of injury from bending and twisting under desks.
- Organise cables:** Keep cables out of sight and improve accessibility by organising cables in effective cable management systems.

Certification
