

S25 ALGAE REMOVER

**FOR EXTERIOR SURFACES, DECKING,
MASONRY, TILES, ROOFING, PATIOS,
FENCING, PAVING & DRIVEWAYS**

Advanced formulation for the removal of algae, moulds, lichen and green films from exterior surfaces. Safe for use on all types of masonry, composite, timber, tiles, plastic, glass and bitumen roofing. Easy to use and fast acting.

- Removes algae, mould & green films
- Fully biodegradable & surface safe
- Cleans & treats surfaces

DIRECTIONS FOR USE:

For best results remove any excess soiling with a brush or pressure washer before applying S25 Algae Remover. Dilute 1:10 with clean water and apply with bucket and brush, low pressure sprayer or watering can. Leave for at least 36 hours before removing debris with a pressure washer. Keep pets off treated surface until dry.
