

DRAIN SHOT PROFESSIONAL DRAIN UNBLOCKER

FAST ACTION ON ALL CLOGS & BLOCKAGES

This professional strength formulation makes easy work of even the toughest blockages. Reacts with water and the clog-causing debris to quickly open drains and restore free-flowing drainage. Suitable for indoor and outdoor drains, kitchens, toilets and bathrooms in commercial and domestic properties. Safe for use with all pipework types and with septic tank systems.

- Septic tank friendly
- Compatible with all types of pipework
- Destroys blockages fast

DIRECTIONS FOR USE:

Ensure protective gloves and eye protection are worn when using. Remove as much standing water as possible from the drain, sink or toilet, using a cup or jug. Pour 500ml of Drain Shot down the plughole or into drain opening. Clean up any spillages immediately. Allow to work for at least 10 minutes. Repeat if necessary.

In addition to resolving clogs and slow drains, DRAIN SHOT can also be used for regular drain maintenance in commercial kitchens, washrooms etc.: pour 100ml-250ml into plughole each month to prevent bad odours and blockages. Take care to clean up any spillages.

DANGER:

Contains: potassium hydroxide. Causes severe skin burns and eye damage. Keep out of reach of children. If medical advice is needed, have product container or label at hand. Do not breath vapour/mist. Wear eye protection/protective gloves/ protective clothing. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get immediate medical advice/attention. Store locked up. Dispose of contents/container in accordance with local regulation.
