

## **SECTION 1: Identification of the Substance and Company/Undertaking**

| 1.1 | Product Identifier:  | Remanufactured Laser Toner HP CF280X Black Rev 2 16.09.2013  |
|-----|--|--|
| 1.2 | Relevant identified uses of the substance and uses advised against |  |
|     | Use:   | Toner for use in Laser Printers  |
|     | Relevant identified uses:  | See Above  |
|     | Environmental release category:                                    | ERC8c (Wide dispersive indoor use resulting in inclusion into or onto a matrix) ERC11a (Wide dispersive indoor use of long-life articles and materials with low release) |
|     | Mixture supplied to that use in form of:                           | A Mixture  |
|     | Product Categaory by type of chemical:                             | PC18 (Ink and Toners)  |
|     | Sector of end use:   | SU3, 21, 22 (Industrial, Consumer and Professional uses)   |
|     | Uses advised against:  | All other uses   |
| 1.3 | Details of the supplier of the                                     | e Safety data Sheet  |
|     | Address:   | Dynamic Cassette International Limited Marsh Lane Boston Lincolnshire PE21 7TX England   |
|     | Telephone Number:  | +44 (0)1205 355555   |
|     | Email Address:   | sales@dci.co.uk  |
| 1.4 | Emergency Telephone:   | +44 (0)1205 355555 or 07901 825565   |
| SEC | TION 2: Hazards Identifi   | cation   |
|     |  |  |
| 2.1 | Classification of the substan                                      | nce  |

None

2.1.1 Classification according to

Regulation (EC) No 1272/2008 (including

|       | amendments):                            |  |
|-------|---|--|
|       |   |  |
|       |   |  |
| 2.1.2 | Classification according to             | None   |
|       | EU Directive 67/548/EEC                 |  |
|       | (including amendments):                 |  |
|       | , |  |
| 2.2   | Label elements:                         | None   |
|       |   |  |
|       | Signal word:                            | None   |
|       | Signal Word.                            | None   |
|       | Hazard statements:                      | None   |
|       | mazaru statements.                      | Notice   |
|       | Precautionary statements:               | None   |
|       | riecautionary statements.               | Notice   |
|       | Duniontina                              | None   |
|       | Prevention:                             | None   |
|       |   | Г  |
|       | Storage:                                | None   |
|       |   |  |
| 2.3   | Other Hazards:                          | The product is a dry mixture of various ingredients producing only slight risk |
|       |   | of irritation in their pure state, in particular to the respiratory tract when |
|       |   | exposed to large amounts of toner dust   |
|       |   |  |
| 2.4   | Additional Information:                 | The product is not classified as hazardous according to EC and National        |
|       |   | Regulations  |

## **SECTION 3: Composition / Information on Ingredients**

#### 3.1 Substances

| Product identifier type in accordance with Article 18(2) of Regulation (EC) No 1272/2008 | ldentifier number | Identification name        | Weight % content (or range) | EC Number |
|--|-------------------|----------------------------|-----------------------------|-----------|
| CAS Number   | 25036-19-5        | Styrene Acrylate Copolymer | 25-60%                      |           |
| CAS Number   | 1317-61-9         | Magnetite                  | 25-60%                      |           |
| CAS Number   | 9003-07-0         | Polypropylene Wax          | 2-5%                        |           |
| CAS Number   | 112945-52-5       | Silicon Dioxide            | 0.5-3%                      |           |

## **SECTION 4: First-Aid Measures**

#### 4.1 **Description of First Aid Measures**

Ingestion: Rinse mouth with water. Give 2 cups of water, do not induce vomiting; seek

medical advice if symptoms occur

**Skin contact:** Clean affected areas with plenty of water, soap or other non-irritating

|                     |   | cleanser. If irritation persists consult a physician   |
|---------------------|---|--|
|                     | Eye contact:  | Flush eyes with plenty of water until clear; remove contact lenses; seek medical advice if irritation persists   |
|                     | Inhalation:   | Move the exposed person to fresh air at once. Seek medical advice if breathing is difficult  |
|                     | First Aider Protection:   | None specific  |
| 4.2                 | Most important symptoms   | and effects, both acute and delayed  |
|                     | Ingestion:  | Slight irritation of the gastro-intestinal tract   |
|                     | Skin contact:   | Slight irritation  |
|                     | Eye contact:  | Slight irritation  |
|                     | Inhalation:   | Slight irritation of the respiratory tract   |
| 4.3                 | Indication of immediate me  | dical attention and special treatment needed   |
|                     | General advice:   | None specific  |

6.2 **Environmental precautions:** 

Take precautionary measures against discharges into the environment

- 6.3 Methods and material for containment and cleaning up
- 6.3.1 **For containment:** No specific hazards foreseen

6.3.2 For cleaning up: Vacuum spilled toner while minimising dust formation. If vacuum is used,

the motor must be rated as dust tight. A conductive hose bonded to the machine should be used to reduce static build up. Transfer carefully into a sealable waste container. Residue can be removed with cold water and soap. Garments may be washed or dry-cleaned, after removal of any loose

toner.

6.3.3 Other information:

None

6.4 Reference to other

sections:

Section 8

### **SECTION 7: Handling and Storage**

7.1 Precautions for Safe Handling:

Handle with care

Use with adequate ventilation

Avoid inhalation of dust and contact with eyes and skin

Keep containers closed when not in use

Keep away from sources of heat, sparks and open flames

7.2 Conditions for safe storage, including any incompatibilities:

Store at room temperature in original container, dry and tightly closed.

Do not store with oxidisers

7.3 Specific end uses:

Never eat, drink or smoke in work areas. Practice good personal hygiene after using this material, especially before eating, drinking, using the toilet, or applying cosmetics

### **SECTION 8: Exposure Controls/Personal Protection**

#### 8.1 Control Parameters

### **SECTION 15: Regulatory Information**

15.1 Safety, health and environmental regulations/legislation specific for the substance/mixture:

The information contained in this safety data sheet does not constitute the users own assessment of workplace risks as required by other health and safety regulations

This product has been assessed to ensure of compliance to the EU REACH and CLP Regulations

15.2 Chemical Safety Assessment:

The product is determined as not being hazardous

#### **SECTION 16: Other Information**

Methods of evaluation: Nor

None specific

References:

None specific

**Abbreviations:** 

REACH – Registration, Evaluation, Authorisation and Restriction of Chemicals

CLP – Classification, labelling and Packaging of Substances and Mixtures

EC No – European Commission Number

**UN Number - United Nations Committee of Experts** 

WEL – Workplace Exposure Limit STOT – Specific Target Organ Toxicity

PBT – Persistent, Bioaccumulative and Toxic

vPvB - very Persistent and very Bioaccumulative

TWA- Time Weighted Average

OSHA – Occupational Safety and Health Administration

The information contained herein is carefully presented, based on the data we have. However, all precautions described herein are for normal handling, not for special handling. Please establish the safe usage in accordance with your handling procedures by reference to this SDS and applicable laws and guidance. In addition, the description, composition, and physical/chemical properties are typical values and not guaranteed for this product.
