

SM63 - 120 Litre Oil Only Kit

Collection: Oil-Only Spill Range

Range: Spill Control

Outer Carton: 1

Product information

Similar to the maintenance kit, but contains extra strong oil pads and socks that absorb oil and repel water. The kit contains 60 pads, 6 socks, 2 cushions and 4 bags with ties.

Oil-Only Spill Range

These products are always white in colour and should only be used in the event of oil based spills such as lubricants, fuels and even vegetable oils. Using hydrophobic technology, they only absorb oil and do not absorb water, remaining buoyant even when saturated.

Spill Control

Introducing a large range of spill control products that efficiently manage any industrial liquid hazard. These products are now needed to comply with health and safety regulations and are your first line of defence against a variety of spills.
