Nordic Swan Ecolabel

The Nordic Eco-label, the Swan, shows that the manufacturer has carefully considered long-term environmental programme, involving all the staff and covering the business philosophy.
This environmental programme reduces and optimizes the use of resources, and replaces products with large environmental impact with more environmental compatibles alternatives. As an independent body, the Nordic Swan organisation checks the environmental achievements.

CE Marking

CE marking is a mandatory conformity mark for products sold within the European Economic Area (EEA). With the CE marking, the distributor declares in accordance with EU Regulation 765/2008 "that the product complies with the applicable requirements laid down in the Community harmonization legislation for its affixing." The letters «CE» denotes «Conformité Européenne» («European Conformity»).

Some toner and inkjet cartridges fall under one or several EU directives, depending on their technical characteristics:

• EMC Directive 2014/30/EU
• RoHS Directive 2011/65/EU
• WEEE Directive 2012/19/EU

For the case that one or more EU directives apply, we confirm that the product complies with. For further details we will gladly send you the corresponding declaration of conformity of the product.
