2 Application Sharps Clean-up Kit in Large Black/Yellow Compact Aura Box

A practical kit that provides everything required to safely clean-up, contain, and dispose of sharp biohazard materials. Each application is individually wrapped, and marked with simple step-by-step instructions for safe biohazard control.

Compact aura boxes are reliable and robust, with the colour-coded clips to keep the box tightly shut, creating a dustproof, and water-resistant location to store materials.
