High Capacity Toilet Paper X2 Dispenser, Double Roll

The Cascades PRO Tandem™ X2 high capacity toilet paper dispenser reduces maintenance time and product waste, providing better cost savings.

Cascades PRO Tandem™ X2 high capacity toilet paper dispenser is ideal for high traffic areas. This controlled roll system ensures complete consumption of the first roll before accessing the second roll, reducing product waste. A smaller vertical footprint allows for installation in areas with restricted space, yet still provides twice the capacity of a standard toilet paper roll dispenser, reducing labor costs. This system conforms to ADA standards when properly installed and the spare roll is fully covered for maximum hygiene. It also features the OnDisplay™ customizable advertising window insert.
