## High Capacity Toilet Paper X4 Dispenser, Four Roll

Perfect for any high-traffic bathroom, Cascades PRO Tandem™ X4 high-capacity toilet paper systems cut costs and product waste.

Cascades PRO Tandem™ X4 high capacity toilet paper dispenser is ideal for high traffic areas. Double the capacity versus the X2 and X2S models, this four-roll dispenser provides a roll capacity equal to 10 standard bath tissue rolls. A reduced footprint compared to universal jumbo roll dispensers, the cycling roll feature ensures the complete consumption of each roll before allowing access to the next one. This system conforms to ADA standards when properly installed and unused rolls are fully covered for maximum hygiene. It also features the OnDisplay™ customizable advertising window insert.
