## Singlefold Paper Towel, 9.1 x 10.25

Cascades PRO Select™ 100% recycled fiber singlefold paper towels are the economical and reliable choice for hygienic dispensing across food service, restrooms and high-traffic public venues.

Cascades PRO Select™ singlefold paper towels combine quality, absorbency, reliable performance and environmental sustainability at a low cost. The towel's single fold allows for one-at-a-time dispensing, which reduces the number of towels used, as well as the risk of cross-contamination -optimal for use in food service, restrooms, and high-traffic public venues, among other segments.

This product meets the Green Seal™ Standard GS-1, based on chlorine-free processing, energy and water efficiency, and content of 100% recovered material with a minimum of 50% post-consumer material.
