

EC Declaration of Conformity (Article 22)

Product Category: Range of First Aid Devices

Product Family: First Aid Kits

Product Reference: See Appendix I attached.

The First Aid Kits referenced in Appendix I have been produced by combining devices bearing a CE marking with other devices or products, in a manner that is compatible with the intended purpose of the devices or other products and within the limits of use specified by their manufacturers, to place them on the market as a system or procedure pack in accordance with article 22 of Regulation (EU) 2017/745.

Safety First Aid Group Limited declares that we have:

- Verified the mutual compatibility of the devices and other products in accordance with the manufacturers' instructions and we have carried out the production of these kits in accordance with those instructions.
- Packaged the kits and supplied relevant information to users incorporating the information to be supplied by the manufacturers of the devices or other products which have been put together.
- Applied appropriate methods of internal monitoring, verification and validation to the activity of combining the devices and other products as a system or procedure pack.

The production of the First Aid Kits has been controlled according to the policies and procedures of our ISO13485 certified Quality Management System.
