

MAXIM[®]

foaming multi-purpose disinfectant cleaner

DS 421

DESCRIPTION

Non-abrasive, this product will not harm hard washable surfaces including walls, woodwork, cabinets, floors, tiles, wash basins, bathtubs, toilet seats, venetian blinds, chrome and stainless steel, stoves, canopies, refrigerators, freezers, sinks, appliances, porcelain, ceramic, counters, and table tops.

DIRECTIONS

Read entire container label before using this product.

If used on food surfaces, surfaces must be scrubbed with a detergent and rinsed with potable water before reusing.

TO CLEAN: Shake can before using. Hold can six to eight inches from surface to be cleaned. Spray area until covered with a white foam. Allow foam to penetrate and wipe off with a clean cloth, mop or sponge. No scrubbing is necessary. For heavily soiled areas, remove gross soil before using. This product will not leave grit or soap scum. Do not use on dishes, glassware or utensils.

TO DISINFECT AND DEODORIZE PRE-CLEANED SURFACES: Follow directions as above and allow foam to penetrate and remain wet for 10 minutes. No scrubbing is necessary. Then wipe with a clean cloth, mop or sponge.

TO CONTROL MOLD AND MILDEW: On pre-cleaned hard non-porous surfaces (such as floors, walls, table tops) spray surfaces to be treated making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mildew growth reappears.

When used as directed this disinfectant is effective against the following:

Pseudomonas aeruginosa, *Salmonella choleraesuis*, *Staphylococcus aureus*, Herpes Simplex Virus Types 1 & 2, H1N1 influenza A virus (formerly called swine flu), Human Immunodeficiency Virus Type 1 (HIV-1) (associated with AIDS), Influenza A3 (Hong Kong).

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
