## Nice Neutralizing Cleaner

### Features:

- Excellent Soil Removal**
- Extremely Economical**
- Will Not Dull Floor Finish**
- Leaves Areas Smelling Clean**
- Removes Ice Melt Residue**

### Description

Never a film or residue when you clean with this product. A true neutralizing cleaner, this product doesn't merely tie up salts and hard water ions in solution like other cleaners; it eliminates them. Damp mop, bonnet clean or spray and wipe.

### Directions

*This product may be used with a damp mop, a bonnet cleaner, or in spray & wipe applications.*

#### For daily cleaning, or when hard water is present:

- 1 Use 1 - 2 oz. per gallon water.  
For stubborn soils, use 3 - 4 oz. per gallon of cold water.

#### For removal of salt or ice melt residues:

- 1 Use 3 oz. per gallon water.  
For stubborn soils, use 3 - 4 oz. per gallon of cold water.
- 2 Wring out excess solution from mop before applying to floor.
- 3 Allow to dry.

#### For natural stone such as granite and marble:

- 1 Use 1 - 2 oz. per gallon of water.  
*Do not use undiluted on natural floors.*

### Applications

#### For daily damp mopping of:

- > All water-washable floors
- > Resilient floors
- > Non-resilient floors
