

MAXIM®

Capri - Lemon Air Freshener

Features:

Versatile and Adaptable

Eliminates Tough Odors

Crisp lemon fragrance, popular in food applications

Description

This product instantly destroys malodors. Concentrated for greater economy, this product overpowers even the foulest odors. It is the perfect malodor counteractant for kitchens, bathrooms, hotel/motel rooms, smoking lounges, nursing homes and anywhere people gather.

This product can be diluted and mixed with other cleaning agents to achieve optimum deodorization in areas where odors are a real nuisance, such as diaper changing areas, restrooms and refuse containers.

Directions

*Pre-test fabrics in a hidden area to ensure staining does not occur.
Do not spray directly on painted or varnished surfaces.*

For general deodorizing:

- 1 Adjust trigger sprayer for a fine mist.
- 2 Spray liberally into air.
- 3 Lightly mist draperies, upholstery, carpet and other fabrics to eliminate absorbed odors.
- 4 To deodorize surfaces, use a cloth dampened with this product and wipe down bathroom fixtures, door knobs, telephone, and storage areas.

As an additive:

Use 1 - 2 oz. of product per gallon of water in cleaning, carpet extractor, carpet shampoo, and mopping solutions.

For garbage bins and compactors:

Spray a small amount of product directly into compactor, refuse container, and around storage area.

Applications

Odor neutralizer for:

- > Restrooms
- > Schools & locker rooms
- > Kennels
