

MAXIM®

Pizzazz High Gloss Floor Finish

Features:

Economical

Hard, Durable, Non-Yellowing

Easy to Apply, with Good Off-the-Mop Gloss

Description

This product is the perfect floor finish for today's demanding customers. High gloss and great durability result from this unique combination of polymers. This product forms a clear film designed to withstand high traffic. This product fits non-buff and spray buff programs.

This product's low odor also makes it easy to use in and around occupied areas. Increase your floor's appearance level and time between strip-outs with this product.

Directions

For floor finishing:

- 1 Thoroughly strip floor according to stripper label instructions, and allow to dry completely.
- 2 Use a mop or applicator to apply 3 - 5 coats of finish. Allow 30 - 45 minutes of drying time between coats.
- 3 For maintenance, dust mop or damp mop as needed.
- 4 For restoration, damp mop thoroughly with floor cleaner, and buff or burnish with spray buff or mop-on restorer.

For scrub and recoat applications:

- 1 Deep scrub and rinse floor.
- 2 Use a mop or applicator to apply 1 - 3 coats of finish. Allow 30 - 45 minutes of drying time between coats.
- 3 Maintain and restore as above.

Recommended pads for buffing or burnishing:

175 - 1500 RPM: Soft White or Red Pad
1500+ RPM: White, Champagne, or Light Natural Pad

Applications

For low maintenance areas in:

- > Schools and hospitals
- > Airports
- > Offices
