

Concentrated Non-Solvent Cleaner/Degreaser

Features:

Leaves No Dulling Film

Highly Concentrated

Low Foam

Environmentally Responsible Choice

Description

This product quickly penetrates and loosens grease, oil, ink, coffee, blood, and other similar soils from washable surfaces. This mild pH product is safe on most surfaces not harmed by water. This water-based product contains no fragrances, glycol ethers, chlorinated solvents, petroleum solvents, phosphates, flammable, or corrosive ingredients. Works in mop buckets or pressure sprayers.

Directions

See product label for additional uses and instructions.

Improper use of this product may affect cleaning performance, result in excess waste, and may increase the risk of health effects.

Dispose of any unused product in accordance with local, state and federal regulations. Rinse container thoroughly with water and recycle empty containers. Do not reuse containers.

Personal protective equipment:

Use eye and hand protection when using this product.

For cleaning floors and other hard surfaces:

- 1 Use 2 oz. per gallon of cold water.
- 2 Mop onto surface or use a cloth or sponge for cleaning.

For cleaning concrete and brick:

- 1 Use 4 oz. per gallon of cold water.
- 2 Mop onto surface or use a cloth or sponge for cleaning.
- 3 Allow to stand for 10 minutes.
- 4 Scrub with a stiff-bristled brush.
- 5 Rinse clean with water.
