Guarantee

When a new machine is purchased, FLEX issues the end user with a 2-year manufacturer's warranty which comes into force on the date the machine was purchased. The guarantee covers only defects which can be attributed to a material and/or production fault as well as non-performance of warranted characteristics. When making a claim under the guarantee, enclose the original sales receipt with purchase date. Repairs under the guarantee may be carried out only by workshops or service centres authorised by Flex. A claim may be made under the guarantee only if the power tool has been used as intended.
