BEST PERFORMANCE

Navigator's ideal thickness/stiffness ratio reduces printing waste such as paper jamming, misfeeding and multifeeding. The absolute and relative humidity levels are controlled to provide good post-printing flatness and to minimize post-printing curl.

Navigator guarantees good cutting quality for stable, trouble-free larger print runs.

IDEAL FOR CHARTS & RICH COLOUR GRAPHICS

Navigator is one of the whitest office papers available on the market, which makes it especially suitable for colour printing and any type of document.
