

KITCHEN CLEANER

Worktops • Ovens • Grills • Fridges

USES

A ready-to-use, spray on cleaner and degreaser, which will kill Salmonella, Listeria and other bacteria in 60 seconds.

Kitchen Cleaner is an odourless cleaner and sanitiser that will cope with a high level of soiling.

Suitable for use on all water washable surfaces, the trigger spray application makes it easy to use and essential for sanitising awkward areas.

As a non-tainting, bactericidal product, *Kitchen Cleaner* is recommended for use as a versatile cleaner in the food industry.

DIRECTIONS

Spray neat onto the surface and agitate if necessary. Rinse with water or wipe away with a clean, damp cloth. Wipe dry if necessary.

Use biocides safely. Always read the label and product information before use.
