

SPOT & STAIN REMOVER

Carpets • Upholstery

USES

An effective spot and stain remover that has been formulated to dissolve grease and oil quickly.

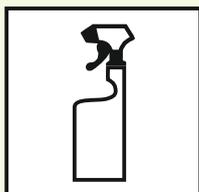

A thin, clear liquid, *Spot & Stain Remover* crystallises grease and oil, enabling it to be brushed or vacuumed away.

Suitable for removing spots and stains on all types of carpet and upholstery that are not water-sensitive.

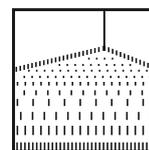

DIRECTIONS

Carefully remove excess soil by gently scraping it away or absorb onto cloth or paper. Spray the area with *Spot & Stain Remover*.

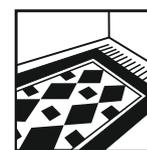

Blot with a clean, white absorbent cloth, paper or sponge and then allow to dry. Once dry, vacuum or brush away.
