EcoTank ET-M1170
This EcoTank with Wi-Fi can help reduce your printing costs. It's fast, has lots of ink and includes double-sided printing.

Enjoy the benefits of mobile printing and big savings with this durable EcoTank with refillable ink tank. A cost-efficient solution, print up to 11,000 pages with the included black ink[1]. It's fast and energy efficient as there's no warm up time. Use your time and resources more effectively with Wi-Fi, double-sided printing, 250-sheet tray and PrecisionCore printhead.

Reduce your printing costs
The economical EcoTank is fundamentally different to laser printers. It features a large refillable ink tank that you fill with the included ink bottles instead of toner. From the start you have enough ink to print thousands of pages, slashing costs and saving time as you're not frequently changing toner.

Low cost replacements
While refills are likely to be few and far between, you'll be able to save over 90% on the cost per page with replacement ink bottles[2].

Reliable
Giving peace of mind, every EcoTank mono printer comes with a one-year/100,000-page warranty.

Save time
Don't waste time changing supplies - with an ink tank system you can essentially fill it up and forget about it. Printing is fast with no warm-up time and speeds of 20ppm[3].

Save energy
Cut energy usage and reduce overheads with an EcoTank mono printer. It can save up to 95%[4] in power consumption compared to mono laser printers.

Efficient business features
Experience the PrecisionCore printhead that's renowned for its speed, quality, reliability and efficiency. Replace paper less often with the 250-sheet tray and save paper with automatic double-sided printing.

KEY FEATURES

- **Reduce your printing costs**
  Economical ink tank printer with lots of ink included
- **Reliable and durable**
  One-year or 100,000-page warranty
- **Reduce energy usage**
  Save up to 95% in power consumption[4]
- **Time saving**
  Wi-Fi, double-sided printing, 250-sheet tray, mobile printing
- **Fast, business-quality printing**
  20ppm print speeds[3] , no warm up time, PrecisionCore printhead

EPSON®
EXCEED YOUR VISION

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	PrecisionCore™ Print Head
Minimum Droplet Size	2.8 pl
Ink Technology	Pigment ink
Printing Resolution	1,200 x 2,400 DPI
Nozzle Configuration	400 Nozzles Black
Category	Home Office, Office Desktop, Office Workgroup
All-in-One Functions	Print

PRINT

Printing Speed ISO/IEC 24734	20 pages/min Monochrome
Maximum Printing Speed	39 pages/min Monochrome (plain paper 75 g/m²)
Colours	Black

For detailed information on printing speeds please visit http://www.epson.eu/testing.

PAPER / MEDIA HANDLING

Number of paper trays	1
Paper Formats	A4 (21.0x29.7 cm), Legal, A5 (14.8x21.0 cm), A6 (10.5x14.8 cm), B5 (17.6x25.7 cm), B6 (12.5x17.6 cm), No. 10 (Envelope), C6 (Envelope), DL (Envelope), Letter
Duplex	Yes (A4, plain paper)
Paper Tray Capacity	250 Sheets Standard
Media Handling	Automatic duplex (A4, plain paper), Rear specialty media feed

GENERAL

Energy Use	0.7 Watt (sleep mode), 13 Watt (Printing), 3.3 Watt (Ready), 0.2 Watt (Power off)
Product dimensions	375 x 347 x 151 mm (Width x Depth x Height)
Product weight	4.3 kg
Noise Level	6.9 B (A) with Epson Premium Glossy Photo Paper / Photo RPM mode - 56 dB (A) with Epson Premium Glossy Photo Paper / Photo RPM mode
Compatible Operating Systems	Mac OS X 10.6.8 or later, Windows 10, Windows 7, Windows 8, Windows 8.1, Windows Server 2003 R2 x64, Windows Server 2008 (32/64bit), Windows Server 2008 R2, Windows Server 2012 (64bit), Windows Server 2012 R2, Windows Server 2016, Windows Vista, Windows XP SP3, XP Professional x64 Edition SP2
WLAN Security	WEP 64 Bit, WEP 128 Bit, WPA PSK (TKIP), WPA2 PSK (AES)
Mobile and Cloud printing services	Epson Connect (iPrint, Email Print, Remote Print Driver)
Colour	White

OTHER

Warranty	12 months Carry in, 100,000 pages
	Optional warranty extension available

LOGISTICS INFORMATION

SKU	C11CH44401BY
EAN code	8715946663555
Country of Origin	Philippines
Layer	2 Units
Layer Block	4 Units

EcoTank ET-M1170

WHAT'S IN THE BOX

- X2 ink bottles
- Main unit
- Power cable
- Warranty card

INK BOTTLE YIELD DATA

Included	11,000 pages*

Replacement

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 19752. 11,000 pages yield based on two ink bottles included with this printer. 6,000 pages yield based on EcoTank ET-MX1XX Series Black Bottle XL ink bottle sold separately. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.

1. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test patterns provided in ISO/IEC 19752. Quote yields are NOT based on ISO/IEC 24711. Quote yields may vary depending on the images you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
2. Taking the RRP of the mono EcoTank replacement ink bottles and comparing printing costs calculated on the largest available yield toner divided by the average selling price in the Western European market listed in IDC EMEA Semiannual Consumables Tracker 2018H1 for the 12 months to June 2018 (including VAT at 21%). Toner yields as communicated by the manufacturers websites.
3. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.Epson.eu/.testing
4. Comparison of the power consumption while printing of the Epson ET-M1120, ET-M2170 and ET-M3170 models against the average top selling 75% of A4 monochrome laser printers (below 20ppm class) listed in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q3 data for the 12 months ending September 2018. Power consumption values as communicated by the manufacturers websites.
5. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu
