TEKSTO Expanding File Case Multi File 18P Assorted The Teksto range is made around ecological values, materials of plant origin or recycled but sustainable with a trendy textile effect. Teksto is the organisational solution of the future in a zero plastic world. The expanding multipart case is made from recycled cardboard covered with a paper coated with vegetable oil which provides excellent protection against water. It is thus guaranteed resistant, durable but also easy to recycle by removing the handle and the closure. With a large capacity, this multipart file is perfect for sorting and organising all daily papers: invoices, salaries, treatment, taxes and duties, bank statements. It will also appeal to professionals and young students. Clip closure for easy opening and closing. Handle for easy transport Made in France, the cover paper and card for the sections come from our Clairefontaine paper mills.
