

HP E24t G4 FHD Touch Monitor

Hands-on productivity.

Skip the mouse and keyboard and interact with your content onscreen, without distracting glare and fingerprint smudges, with integrated in-cell touch technology that's fast, responsive, and maintains the monitor's sleek, slim profile.

Total comfort begins with HP Eye Ease.

- Keep your eyes comfortable through the work day with HP Eye Ease, our first built-in, always-on blue light filter that presents your vivid content with zero impact on your color accuracy, no OSD required.

Personalize your view.

- Never lose a moment of productivity with 4-way monitor adjustability that lets you find your sweet spot, a 3-sided micro-edge, flicker-free 23.8" (60.45 cm) diagonal screen that reveals more of your work, and Full HD resolution for crisp visuals from any angle.

Remote management for your monitor fleet.

- Empower IT to remotely manage monitor deployments, track assets, adjust settings, and more without ever leaving their desks through HP Display Manager¹.

Featuring

- Connect to your most frequently-used devices with a range of integrated ports right at the monitor.
- Work comfortably with customizable tilt, height adjustment, swivel, and pivot settings.
- Energy efficiency is built into every ENERGY STAR® certified, EPEAT® 2020 registered, and low halogen display. We go one step further with 100% recyclable packaging.
- Mount your compatible HP Desktop Mini PC directly on the column stand using the optional HP B300 PC Mounting Bracket.
- Customize your monitor and help deter its theft with easy, intuitive HP Display Center software that lets you tailor your settings, partition screens, and more through the host PC.
- Customize a total solution with options like the HP S101 Speaker Bar, which attaches easily to the lower bezel to add stereo audio on the monitor.
- Rest assured with a display that has been vigorously tested for compatibility across HP PCs and workstations and is supported by our three-year standard limited warranty.
