

# HP Everyday Photo Paper

**Designed for home and small business users who want a glossy photo paper that delivers noticeably better results than plain paper, but is also so economical that it can be used for everyday photo printing applications.**

**Noticeably better results than plain paper.**

- Substantial 170 g/m<sup>2</sup> weight and a good sturdy feel deliver an instantly better first impression.
- With a semi-glossy finish on one side and a textured finish on the reverse, prints have far more of the look and feel of traditional photographs.
- Good opacity ensures that pictures won't show through on the other side.
- Quality feel adds extra impact to anything you print from photos to scanned drawings and presentations.

**Perfect for everyday photo printing.**

- Designed to accept the colour-rich photo printing modes of today's inkjet printers
- Special surface coating ensures brilliant colours and rich blacks for great results every time.

- Textured back coating helps prevent sticking when paper is stacked in output tray.
- Optimised for use with HP inks and HP inkjet printers to deliver prints that are always clear and always sharp.

**Exceptionally good value for money.**

- This is HP's lowest-priced glossy photo paper, offering unbeatable quality for such a competitive price.
- So affordable it can be used for all photo printing applications, from proof sheets and presentations to kids' photos – the glossy alternative to plain paper.
- Designed for regular or low use – supplied in convenient packs of 100 or 25 sheets.
- Available in A4 or 10 x 15 cm.
- Ideal for printing images downloaded from the web or received by email.

HP Everyday Photo Paper delivers photo-quality gloss at an affordable price. Specially coated for colour-rich photo printing, it's heavier and thicker than plain paper and ideal for photo proofs, test prints and images from email and internet.
