Section 7 – Handling and Storage (for bulk quantity)

7.1 Precautions for safe handling

No specific handling conditions are suggested for the packed wipes other than those applied as best practice or specified by local working regulations.

7.2 Conditions for safe storage, including any incompatibilities

Product should preferably be stored at temperatures >4 °C and <30 °C.

7.3 Specific end use

Use identified in Section 1.2

If use of product is to be prolonged or repeated the wearing of suitable gloves (nitrile or similar) and eye protection is recommended.

Section 8 – Exposure Controls / Personal Protection (for bulk quantity)

8.1 Control parameters

None advised

8.2 Exposure controls

If product packaging is undamaged then no special personal protective equipment should be required other than those applied as best practice or specified by local working regulations.

If packaging is broken and continuous bulk handling necessary, then approved eye protection and gloves should be worn.

Section 9 – Physical and Chemical Properties

9.1 Information on basic physical and chemical properties

Appearance: White non-woven applicator dosed with liquid.

Odour: Characteristic

Properties of the dosed liquid:

pH: 6.0-7.0

Section 10 – Stability and Reactivity

10.1 Reactivity

Product is stable under normal storage and use conditions.

10.2 Chemical Stability

Product is stable under normal storage and use conditions.

10.3 Possibility of hazardous reactions

Unlikely

10.4 Conditions to avoid

Extreme temperatures

10.5 Incompatible materials

None advised

10.6 Hazardous decomposition products

Decomposition very unlikely under normal conditions

Section 11 – Toxicological Information

11.1 Information on toxicological effects

On contact with eye, liquid from wipe may cause some slight irritation.

Section 12 – Ecological Information

12.1 Toxicity

Based on the ingredients, this product is not expected to be harmful to aquatic organisms or environment.

12.2 Persistence and degradability

Information not available

12.3 Bio accumulative potential

Information not available

12.4 Mobility in soil

Information not available

12.5 Results of PBT and vPvB assessment

Product does not contain any PBT or vPvB at >0.1%

Section 13 – Disposal Considerations

13.1 Waste treatment methods

Bulk: Dispose of according to local/national waste regulations
Single pack/wipe: Dispose of in normal household waste. Do Not Flush.

Section 14 – Transport Information

This product is unclassified for road, sea or air transport under ADR, IMDG or IATA regulations respectively.

Unilever

Version: 1.0
Issued: 09/01/19

Section 15 – Regulatory Information

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

CLP Regulation	1272/2008EC
REACH Regulation	1907/2006EC
Detergent Regulations	648/2004EC

Keep out of reach of children and pets.
Keep away from eyes.

Ingredients: <5% non-ionic surfactant, preservatives (Phenoxyethanol, Iodopropynyl butylcarbamate), perfume.

Section 16 – Other Information

Date compiled: 9th January 2019
Issue No: 1
