Health & Safety data Sheet

Doc. ID : Q	QDS 0045	Reviewed Date : 27 June 2000
1) ID of substance	e/preparation	& manufacturing company
Product Tradenan	ne:	Blick Labels
Supplier/Manufacturer:		Royal Sovereign Ltd. 7 St George's Industrial Estate London N22 5QL
		Tel: 020 8888 6888
2) Composition/In	nformation of	n Ingredients
<u>Chemical Compos</u>	ition/Charac	teristics: The products utilise papers of conventional papermaking formulations and adhesives and silicones that are generally recognised as safe.
Form	:	Solid
Colour	:	Wide selection of white and coloured labels on either white kraft or cream coloured glassine backing paper
Odour	:	Not Applicable
3) Hazards Identi	fication	
None identified		

4) First Aid Measures

	TREATMENT					
Inhalation	N/A					
Skin Contact	Non-Hazardous					
Eye Contact	N/A					
Ingestion	N/A					
Allergic	(Highly Unlikely) Remove individual from sphere of activity and seek medical advice.					

5) Fire-fighting							
Suitable Extinguishers	:	Co2, Water, Foam, Dry Powder. Use water only if local circumstances permit, i.e., away from electrical equipment.					
Fire Prevention	:	Store away from excessive heat.					
Combustion Products :		N/A					
Fire Fighting Procedure :		Apply normal firefighting procedures.					
6) Accidental Release M	Measure	s					
Personal Precautions	:	N/A					
Environmental Precautions:		N/A					
7) Handling & Storage							
Procedure for Safe Stora	age:	The optimum working condition for handling these products are 20-23C and a relative humidity of 45-55%.					
Handling	:	No special requirements					
8) Exposure Controls/P	ersonal	Protection					
Exposure Limits	:	N/A					
Personal Protection							
Eye Protection	:	N/A					
Hand/Skin	:	N/A					
Respiratory	:	N/A					
Ingestion	:	N/A					
Ventilation	:	N/A					
9) Physical & Chemical	Proper	ties					
pH : N/A Boiling point : N/D Flash point : N/A Water solubility : Insolu	ble						
10) Stability & Reactivit	y						
Materials to Avoid	:	Excessive heat					
Stability	:	Stable					

11) Toxicological Information

No adverse effects are to be expected in normal use. In extremely rare occasions it may arise that an isolated individual may be allergic to one of the substances used in the product.

12) Ecological Information

No data.

13) Disposal Considerations

These products are best disposed of by incineration in an adequate supply of air or in a landfill site as a non-hazardous or non-special waste.
