Cif Professional Concentrated Washroom Cleaner

The ultimate solution for maintaining cleanliness and hygiene in high-traffic washrooms

Description

Cif Professional Concentrated Washroom Cleaner is an acidic washroom cleaner designed for professional cleaning. Its acidic formula effectively removes limescale, soap scum and helps keep malodours away. The 2L bottle doses up to 100 spray bottle making your cleaning routine more affordable than diluted formulas and helping you save storage space.

Benefits

- Provides ultimate cleanliness and hygiene in high-traffic washrooms
- Effectively removes limescale and soap scum
- Leaves a fresh citrus scent

Pro Formula

YOUR GUIDE TO POWERFUL CLEANING

Unilever and Diversey come together to give you Pro Formula, a complete range of ready to use professional cleaning products, paired with trusted Unilever brands. The range is specifically developed for your professional cleaning needs, and comes with free online cleaning & HACCP guides, helping you meet hygiene standards.

Cif Professional Concentrated Washroom Cleaner

Use instructions

For best results, use with Cif dosing pump and refill kit (sold separately).

1. Attach the label provided on the clean, empty spray bottle. Ensure the bottom edge of the label is placed just above the bottle ridge.
2. Attach the dosing pump securely to the canister of concentrated cleaner.
3. Fill the provided spray bottle with 680ml of clean tap water, using the fill line on the label as a guide.
4. Dose 1 pump (20 ml) of concentrated liquid into the bottle.
5. Attach the trigger spray securely onto the bottle and shake before use.

Article Code	9303815
Available pack sizes	2x2 L
Appearance	Red clear liquid
Odour	To Match Standard (TMS)
pH value (neat)	≈ 2.30
