Cif Professional Concentrated Degreaser

Provides fast degreasing action and surface care

Description

Cif Professional Concentrated Degreaser excels at removing tough grease and stains, including encrusted and burnt-on residue. It is safe for use in food preparation areas, ensuring a hygienic environment. The 2L bottle doses up to 100 spray bottles making your cleaning routine more affordable than diluted formulas whilst helping you save storage space. The product is safe for use in food preparation areas and can be applied to work benches, pots and pans, countertops, floors, tiles, door handles, ventilation panels, dining tables/areas, stoves, frying pans, and other kitchen equipment. HACCP compliant and perfume free.

Benefits

- Removes tough and burnt-on grease, dirt and encrusted stains
- Suitable for use in food preparation areas
- Ensures powerful degreasing and tough stain removal

Pro Formula

The range is specifically developed for your professional cleaning needs, and comes with free online cleaning & HACCP guides, helping you meet hygiene standards.

Cif Professional Concentrated Degreaser

Use instructions

For best results, use with Cif dosing pump and refill kit (sold separately).

1. Attach the label provided on the clean, empty spray bottle. Ensure the bottom edge of the label is placed just above the bottle ridge.
2. Attach the dosing pump securely to the canister of concentrated cleaner.
3. Fill the provided spray bottle with 680ml of clean tap water, using the fill line on the label as a guide.
4. Dose 1 pump (20 ml) of concentrated liquid into the bottle.
5. Attach the trigger spray securely onto the bottle and shake before use.
