Cif Professional Concentrated Multipurpose Disinfectant Cleaner

Use instructions

For best results, use with Cif dosing pump and refill kit (sold separately).

1. Attach the label provided on the clean, empty spray bottle. Ensure the bottom edge of the label is placed just above the bottle ridge.
2. Attach the dosing pump securely to the canister of concentrated cleaner.
3. Fill the provided spray bottle with 680ml of clean tap water, using the fill line on the label as a guide.
4. Dose 1 pump (20 ml) of concentrated liquid into the bottle.
5. Attach the trigger spray securely onto the bottle and shake before use.
