Cif Professional Concentrated Window & Glass Cleaner

Effective cleaning of windows and glass surfaces

Description

Cif Professional Concentrated Window & Glass Cleaner is designed for professional use, ensuring the removal of greasy streaks and finger marks with a quick-drying formula that leaves surfaces shiny, spotless and streak-free. The 2L bottle offers doses to fill up to 100 spray bottles making your cleaning routine more affordable than diluted formulas whilst helping you save storage space. The solvent-based formulation rapidly evaporates off the surface, leaving it dry and shiny without any residue. Perfume free.

Benefits

- Effectively removes greasy streaks and finger marks
- Quick drying, leaving no residue giving shiny results
- Perfume free

Pro Formula

YOUR GUIDE TO POWERFUL CLEANING

Unilever and Diversey come together to give you Pro Formula, a complete range of ready to use professional cleaning products, paired with trusted Unilever brands. The range is specifically developed for your professional cleaning needs, and comes with free online cleaning & HACCP guides, helping you meet hygiene standards.

Cif Professional Concentrated Window & Glass Cleaner

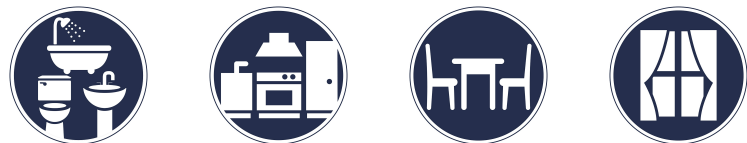

Use instructions

For best results, use with Cif dosing pump and refill kit (sold separately).

1. Attach the label provided on the clean, empty spray bottle. Ensure the bottom edge of the label is placed just above the bottle ridge.
2. Attach the dosing pump securely to the canister of concentrated cleaner.
3. Fill the provided spray bottle with 680ml of clean tap water, using the fill line on the label as a guide.
4. Dose 1 pump (20 ml) of concentrated liquid into the bottle.
5. Attach the trigger spray securely onto the bottle and shake before use.

Article Code	9303534
Available pack sizes	2x2 L
