Envirowipe®

100% Natural Heavyweight Anti-bacterial Compostable Cleaning Cloths

Produced from 100% natural Rayon fibre which will fully compost in normal landfill conditions.

Envirowipe has an open cellular structure which increases wiping performance and is easy to rinse clean.

Impregnated with an anti-bacterial agent to inhibit growth of bacteria on the cloth.

Absorbs up to 10 times its own weight. Machine washable several times. Available in 4 fresh colours.

Heat tested to 250°C - EN ISO 12127-1:2015 Standard.

Ideal for use as a Barista cloth.

Product and all packaging are plastic free and 100% compostable.
