Multi Spray is an ecological, ready-to-use glass and interior cleaner for professional use. This product is suitable for use on all water-resistant surfaces, such as mirrors, windows, computer monitors, desks, display cabinets, etc. that are made from glass, plastic, wood, brick, stone, or metal. Multi Spray works quickly and safely, dries without streaking, and does not affect the surface gloss. Multi Spray is free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based detergents. All detergents used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully biodegradable.

INSTRUCTIONS FOR USE

As the product comes in a spray bottle, moisten the surface with the undiluted product. Do not allow to dry. Wipe the surface dry with paper or a lint-free cloth.
