

One3five Bio

Biological laundry powder

Detergent powder for professional use in all automatic and on-premise laundry machines.

Phosphate-free; better for the environment.

Plastic free packaging; fully recyclable box

- A blend of enzymes - protease, mannanase and amylase - and surfactants to break down stubborn stains, even at low temperatures.
- Benefits from optical brighteners to help whites stay white for longer and prevent coloured fabrics from fading.
- Contains coloursafe oxygen bleaching agent.
- Long-lasting fragrance to leave all washable fabrics clean and fresh.
- Easy flow powder which dissolves easily in all water conditions.
- Provides up to 135 washes per pack.
- Robust box and strong paper carry handle.
- Convenient tear strip for quick and easy opening of box.

DOSAGE INSTRUCTIONS:

DOSAGE INSTRUCTIONS for a 4-6 kilo wash			
Water Hardness	Level of soiling
